

Host an AFS Exchange Student!

WHAT THE WORLD NEEDS NOW . . . IS YOU! Enrich your community by opening your home to an AFS exchange student. By hosting a high school student from another country you'll be building bridges of intercultural understanding and bringing the world to your family's doorstep. Each year, more than 2,700 high school AFS Exchange Students from around the world arrive in the United States to live with families and attend local high schools.

When you host an exchange student, not only will the AFS Student go home with life-changing experiences and lasting memories, but your family will walk away with a new sense of the global community. South Milwaukee AFS has been hosting students for over 50 years and is looking for host families, in order to continue this tradition for the 2009/2010 school year. This is a great way to connect with others right in your own backyard. The mission of AFS is to work toward a more just and peaceful world by providing international and intercultural learning experiences.
